

Aftermath Business Simulation

"Empowering business leaders to thrive under pressure and adapt strategically."

About the Simulation

Aftermath is a cutting-edge business simulation designed for corporate education, targeting organizations that aim to enhance decision-making, strategic thinking, and resource management competencies among their teams. Participants are immersed in a post-crisis world where survival hinges on making critical business decisions under resource constraints.

- **Duration:** 6 hours (split into three rounds of gameplay).
- **Participants:** 12-25 participants, grouped into 5 teams.

Who Benefits?

Aftermath is ideal for professionals who want to sharpen their business acumen, including:

- **Decision-makers** in business leadership roles.
- **Senior sales staff** managing high-stakes portfolios.
- **Corporate teams** striving for strategic alignment and competitive advantage.
